Digital Desk touch screens are the best and most popular solution!

With Digital Desk screens, you can share a wide range of information and visual resources on horizontal screen surfaces, generating interaction.

Areas of Usage: Shopping Center, Hospital, Banks, Education, Hotels, Cinema, Restaurant, Fair, Gallery, Entertainment, Bus/Train Stations

Built in Wi-Fi

As well as having an Ethernet and LAN ports you can wirelessly connect to the internet thanks to the built in Wi-Fi.

Optional Wireless Connections

It has the Bluetooth, NFC and RFID

Front Protection Glass

It is manufactured from glass that is reinforced by chemical processes and is resistant to very high piercing. Provides additional protection against physical impact during use.

Touch Tehcnology

The most popular interactive applications durable and reliable touch technology for ease of use.

Long Life Industrial Display

Designed for use in commercial applications this screen can run 24/7. There are no external buttons or controls to avoid tampering.

Branding and Color Applications

Provides you to highlight your corporate identity with unique color and logo application.

Audio

Optional integrated speaker also has an audio out port for connecting headphones or external speakers.

Rich Entegration System

It has the infrastructure that can work seamlessly with Windows and Android platforms.

Application Specific Design

Designed with discreet retractable casters for easy manoeuvrability. Depending on where you are positioning, special foot design can be made.

Accessories

Barcode Reader, NFC, RFID, Beacon, Bluetooth, Pin Pad, Camera, Industrial Keyboard, Receipt Printer, Audio System, Glass Protector, Mirror Protector, Glass Logo, Colorful Glass
